WORD IS . . .

HEBREWS 12: 1

... LET US

RACE THAT IS SET
BEFORE US

Volume 3/Issue 5 June
A WORD FROM PASTOR THORSON

Goals!

Do you remember that annoying camel commercial? You know, the one where the camel went around on a Wednesday saying, “Hey, hey! What day is it? Come on what day is it? Huuuump Day!!!” In a humorous way, the camel was referring to the middle of the week and the push to get through to the downhill slide to the goal of Friday and the weekend. I think that many of us have that same (or similar) mentality throughout the year. During your school days, you might have been counting down to the last day from the very beginning, but somewhere around the 100th day of the school year you might have realized you were over the hump. Maybe you even broke it into semesters, and after midterms you were already looking forward to finals and the holiday.

I do the same thing while running or on the treadmill myself. If I set out to jog or run or walk for twenty minutes, I break that time into parts that seem more manageable, like two sets of ten-minute intervals or four sets of five-minute intervals. In this way, I encourage myself to get it done and push past the daunting task of twenty minutes of cardio (don’t judge, I’d much prefer lifting things to running or the like). Sometimes getting to and through the midpoint of your day or work or whatever can be daunting and even depressing, especially if you have a lot to do after you get there.

*“[Jesus] did that to overcome the world so that the
prize of eternal life is yours”*

As we come to the middle of the year, read Hebrews 12: 1-2. Consider the hardships and the sufferings that Christ endured for you. He didn’t do that only so that you could look to his example and push through life’s challenges. He did that to overcome the world so that the prize of eternal life is yours,

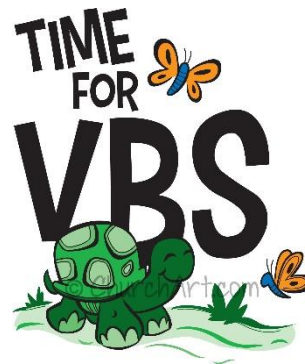

and so that you can give your worries over to Him in prayer and fix your eyes on His victory in order to endure the race that has been set before you, whether it is the 100-meter sprint or the rat race on your way to work. The reason it is easier after the midway point of a slog is that we know our reward is closer. Whether it is the weekend, or a vacation, or a few precious moments with a loved one, it is the goal that sustains us through to the end. We have the greatest goal, namely the victory we have in and through Christ. He overcame the world so that we might run our race with the certainty of victory, and through it endurance. Though we face many and various difficulties, persecutions, and hardships, it has been downhill since Jesus died and rose for us. We're well past the hump. The prize is ours in Christ. So run this race with endurance looking to Christ who holds your life in his hands, that you may attain the prize and witness to others by your steadfast faith in the one who won that prize for you.

In Christ,

Pastor Ant O. Jr

Update from the Trustees

This has been a busy quarter for the Board of Trustees. There have been many projects that have been completed but many still need to be done.

The following mechanical inspections have been done: Elevator Inspection by Schindler, Elevator Inspection by PEI, and fire alarm inspection by Trident. The backflow inspection for the irrigation system failed and a new valve has been installed and the inspection passed. Thanks to Sam Kelley and Bob Vieyra for making the appointments to install the new valve and inspections and being there for each one.

We have had multiple break-ins to our mailbox. There is now a new, more secure mailbox in front of the church. Nick Mayer has installed 4 security cameras on the church property to help monitor activity around the church.

Kyle Martz replaced lighting on the outside of the church. Unfortunately, some have burned out. Nick Mayer and Tom Stahly were able to fix the problems at our work day. Thanks to Kyle for replacing the bulbs.

Dutchman Asphalt is in the process of repairing the parking lot. We should have a finish date by the end of May.

Sam and Bob have aerated the church lawn and have applied herbicides and fertilizer. Kyle has been working on eradicating weeds on the lawn and church grounds. He has added many walking steps to his Fitbit. He also removed a dead tree on the west side of the church.

The sprinkler system required some repairs which have been made. After twenty years, things need to be repaired and replaced.

We are currently asking the Church Council for funds to improved our landscaping in some of the middle islands in the parking lot. Keep a look out for continued improvements around the church. As always, if you know of anything that needs attention, please let a Trustee know so it can be addressed.

Church Work Day

Thank you to all who came out to help with the church work day. We were able to get a lot done both inside and outside the church.

Communion Flow Chart

In an effort to streamline communion on Sundays we are reinstating the communion flowchart that was developed many years ago. When COVID happened we could not queue because we needed to maintain our distance from each other. Since those restrictions are no longer in place we are wanting to go back to our old way of lining up for communion. Please take a look at the flowchart and if you have any questions please contact an elder or usher.

REMINDERS

The Deacon's Fund supports Emergency Family Assistance, ULC, and other charities as well. All of these funds will be used to alleviate the needs of people who are in very vulnerable circumstances. The agencies have expressed great gratitude. We are only able to do this because of the generous and faithful contributions of you, our dear members, to the Deacon's Fund! Please consider contributing via your offering envelopes or in the Deacons' Fund collector in the Narthex! Thanks!!!

Please be responsible!!! For everyone who has access to the church building, it is your responsibility when you leave to make sure that all lights are off, the heat/air-conditioning/fans are turned back or off and all of the **doors are locked and secure!!** Please do double checks before you leave.

We ask that all members of the congregation please be conscious of protecting their valuables while at church. Many times, the doors are left unlocked, and people are downstairs. This gives easy access to someone who may not be a member. We will try to remember to lock the doors after service.

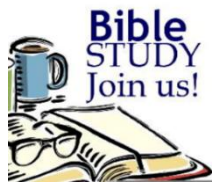

Sign Up to Receive Text Messages - Eternal Savior is building a text message list for urgent communications. i.e., Service is cancelled due to a blizzard. If you would like to receive notifications like that via text message, please text **ETERNALSAVIOR** (one word, no space) to 84576. Contact Laura Raben if you need help signing up.

The **2025 Flower Chart** is now available on the bulletin board. Please look to see if there is a service you would like to provide flowers. Also include if the flowers are for a special occasion.

Parking spaces in front of the church should be reserved for those members and visitors that need to park close to the building due to health concerns or weather. Please be considerate and leave these spaces to those who need them most.

Large print worship service folders and assisted listening devices are available. Please ask an usher if needed.

Sunday Morning Bible Study – Please join us after service downstairs for Sunday morning Bible Study. This Bible Study is covering the Book of Ezekiel.

Sunday School! We are studying the "Enduring Faith" curriculum. Sunday School opening is at 10:30AM in the Fellowship Hall. All children are encouraged to join us!

The noise quiets as the General Secretary of the Bible Society of Sierra Leone steps forward to lead a devotion. Excitement is evident – the Sierra Leone Rev79 training is off to a great start!

Rev79 is a project management tool developed specifically for Bible translators. Training participants learned not only how to use the management and reporting functions, but also Chief Strategy Officer Matt Kistler shared LBT's vision for the program.

"All Praises to God!"

Regional Director Linus Otronyi gives "All praises to God," for successful training in Sierra Leone and asks for prayers that participants effectively use the tools.

THE LUTHERAN CHURCH—MISSOURI SYNOD

Pray For Us Calendar

DOMINICAN REPUBLIC — JUNE 1-30

The Lutheran Church—Missouri Synod (LCMS) officially began work in the Dominican Republic in 2004. Over the years, a group home was established to care for orphaned children with disabilities; congregations and mission plants were started; and a deaconess-training program was launched. The LCMS seminary in Santiago, Dominican Republic, trains students from around the Latin America region.

Remember God's work in the Dominican Republic as you pray:

- 1.** *for the seminary students who will enter the seminary this fall, that they would be able to acquire their student visas and other documentation needed to study in the Dominican Republic.*
- 2.** *for seminary students and their families, that they would have a smooth transition to life in a new place away from family and friends. Praise God for these dedicated students who are willing to leave home to obtain a solid theological education.*
- 3.** *that God would grant the seminary students determination and endurance, so that they might be diligent in their studies*

and make the most of their education.

- 4.** *for the women studying to be deaconesses, that the theological coursework and intensive practical experience would form them into capable and effective deaconesses.*
- 5.** *that God would grant strength to our deaconesses as they support the work of pastors by caring for the poor, the marginalized and the sick.*
- 6.** *with thanksgiving for all the faithful and generous people who have prayed or given of their time or treasures to make the seminary and mercy center a reality.*

7. *for the seminary professors, that they would be well-prepared to impart wisdom and knowledge to their students.*

8. *that the Spanish-language theological library at the seminary would be well used and a blessing to the students and faculty.*

9. *for the families of the professors, that they would adapt easily and find joy in a new country and culture.*

10. *for Lutheran congregations in Latin America, that they would be prepared to care for and support their pastors physically, mentally and spiritually.*

11. *for seminary students who are serving vicarages, that they would learn much from their experience and be better prepared for their future ministry.*

12. *for all the missionaries and leaders of the Dominican church, that they would discern God's*

will so that they can build a firm foundation for the church for generations to come.

13. *that God would raise up individuals and congregations to support our LCMS missionaries in the Dominican Republic.*

14. *that God would supply faithful and capable men and women to serve as missionaries, both in Latin America and around the world.*

15. *with thanksgiving for faithful men and women who have given up the comforts of home and family to faithfully serve on the mission field.*

16. *that many in the Dominican Republic would hear God's Word and believe in Jesus Christ as their Lord and Savior. Pray that they would attend worship each Sunday to receive the Word and Sacraments.*

JUNE *Pray For Us Calendar*

17. *that God would grant health and safety to all missionaries and their families.*

18. *that the Dominican Christians would continue to study God's Word and be strengthened to live faithfully and serve their neighbors in love.*

19. *with thanksgiving for the willingness of the Dominican people to hear and learn God's Word. By God's grace, the LCMS has established congregations and mission stations around the country.*

20. *that God would raise up many Lutheran school teachers and school administrators — especially from among the Dominican congregations — to meet the needs of the large number of eager students.*

21. *that the families of our Lutheran school children would also hear God's Word and be brought to faith.*

22. *with thanksgiving for the large and ever-growing number of students seeking education in our Lutheran schools in the Dominican Republic.*

23. *that the Lutheran mission churches in the Dominican*

Republic would continue to grow and mature through regular worship and Bible study.

24. *with thanksgiving for the many faithful Christians who regularly worship in our mission congregations.*

25. *with thanksgiving for Hogares Lutheranos El Buen Pastor (Good Shepherd Lutheran Home), which provides a safe and nurturing facility for young people with developmental disabilities.*

26. *that God would grant patience and endurance for the faithful workers who care for the group home's residents. Praise God that He has used these wonderful young people to teach the Dominican Lutheran church about His love and mercy.*

27. *with thanksgiving that the residents of Hogares Lutheranos El Buen Pastor have become active members of the local Lutheran church, where they are eager to hear God's Word and to serve in any way possible.*

28. *with thanksgiving for the willingness of faithful and gentle caregivers who serve the residents of Good Shepherd Lutheran Home.*
